

Holy Trinity's Vision

Our vision is to be 'A church school community aspiring for all to live life to the full'

Community

Where community means all those directly and indirectly involved with the school. We want to promote caring children who look for ways to contribute to the community they are in.

Aspiring

Where aspiring means wanting the best for our children and families and supporting them to develop the necessary knowledge, skills and understanding to be their best. We want all children to achieve well (socially and academically) and to their fullest potential.

Life to the full

Where 'life to the full' means providing a broad range of experiences and opportunities to apply the knowledge, skills and understanding we have to be able to participate in life and not be passive observers of it.

We use the 'Think' model when we talk to our respect for each other.

- T - Think before you speak
- H - is it helpful?
- I - is it important?
- N - is it necessary?
- K - is it kind?
